THE POWER 50 BRAND PERFORMANCE CHECKLIST

What is The Power 50 Brand Performance Checklist?

In today's crowded and competitive marketplace, brand performance is key to business growth. It is no secret that the strongest, best performing brands are also the most profitable. This Brand Performance Checklist is designed for you to evaluate your brand's performance and identify the areas you can make improvements on to create a winning brand.

How to use The Power 50 Brand Performance Checklist?

In this Brand Performance Checklist, there are 50 powerful questions that you can answer about your brand in 10 minutes to find out how your brand is performing. Simply select the most relevant answer to these questions and count the number of "Yes", "No" and "Not Sure" that you answered.

Take a deep breath and now start answering these questions as honestly as you can.
